The third management meeting of the project was held on 16 April 2018 at IPABO University in Amsterdam. Heliomare hosted the meeting. The opening speech was done by Dr. Hans Schuman from Heliomare. After the opening speech, Asuman Erdem, the Project coordinator, summarized the works either completed or ongoing within the scope of the Project. Then, Assoc. Prof. Necdet Karasu from Gazi University and Ugur Ersoy from ZİÇEV jointly gave detailed information about the outputs and the partners' contributions.

In the second part of the meeting, the team visited Speleon, the research and application center of IPABO University established for children aged between 2.5-8 years. The center is used as a laboratory for university students to observe how children develop through play and to conduct research. During the visit, Dr. Annerieke Boland made a presentation and gave detailed information about the center.

After lunch, the meeting continued with the review of ongoing activities and upcoming events. After the general evaluations of the partners, the meeting ended with the distribution of certificates. The final management meeting of the project will take place in Santander, Spain, on 22 June 2018.
